

Key Responsibilities of the RCG4-WCA Task Teams

1. Act as RCG4-WCA focal point for requests in a specific thematic area
2. Provide support in areas of expertise to national education ministries and institutions, local education groups, and key national and regional partners
3. Develop, implement, monitor progress, and report on an agreed work plan
4. Conduct and/or organize research, knowledge sharing, and capacity development activities in thematic areas
5. Support in the strategic and thematic area to country and regional partners through flexible mechanisms
6. Brief and disseminate relevant information on policy changes, recent findings, etc. to keep RCG4-WCA members updated
7. Flag emerging issues of importance to the rest of the RCG4-WCA
8. Consult with key regional partners to seek guidance on areas where more joint support by the RCG4-WCA is needed

RCG4-WCA Terms of Reference, updated and approved March 2019
